"Tables That Take The Punishment"

Arts, Crafts & Training Tables

Standard Grade High Pressure Laminate

Constructed of 1" industrial grade particle board core and laminated with standard HPL and phenolic backer using a moisture and heat resistant PVA adhesive, MDF or plywood are optional. All sides are banded with an impact resistant 3MM PVC and all edges and corners radiused. Traditional Roll Edge and Comfort Roll Edge are optional and available at no upcharge. Standard HPL surfaces are suitable only for areas that are not exposed to acids or reagents.

Phenolic Resin Core

Constructed of 3/4" thick phenolic resin core with a chemical resistant surface. All edges and corners are beveled. A 1/4" drip groove is routed at bottom. Water and heat resistant. Suitable for use in K-12 laboratory applications and other surfaces not requiring maximum acid resistance.

Bases

Wood Base

Table frame are constructed of 3/4" hardwood, bolted to 2 1/4" x 2 1/4" hardwood legs. Legs equipped with adjustable screw type glides. All hardwood is sealed, stained and lacquer finished with a medium oak stain (as shown). All edges are rounded for smooth appearance. Tables are available with or without storage compartments. Tables can be customized to meet your specific size requirements.

Fully Welded Frame (Steel, Fixed Height)

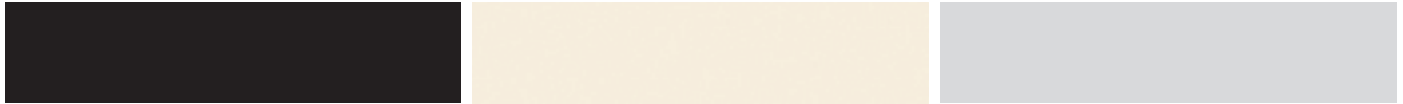

The table frame is 1-1/4", 16 gauge tubing fully welded. Legs are 1-1/2", 14 gauge steel tubing and are welded to the table frame. Legs have adjustable screw in floor glides. Standard fixed height of table is 30". Custom heights are available.

Fully Welded Frame (Steel, Adjustable Height)

Table frame is 1-1/4" 16 gauge square tubing fully welded. Upper legs are 1-1/2", 14 gauge steel tubing and are welded to the table frame. Lower telescoping legs are 1-1/4" 16 gauge steel equipped with a locking set screw mechanism and height adjustable on 2" increments. Legs have adjustable screw in floor glides. The table adjusts from a minimum of 20" in height to a maximum 36" height.

Shipping

All merchandise will be shipped as specified by the customer. If no instructions are given, we will select the most reliable and economical method of shipment. Safe delivery of merchandise is the responsibility of the carrier. If you receive the shipment short or damaged, it is your responsibility to file a claim with the carrier. Shipping weights and cube volume shown are approximate and may vary due to changes in product or method of packaging.

Returns

Returned merchandise will not be accepted without written authorization from Corilam Customer Service Department.

Cancellations

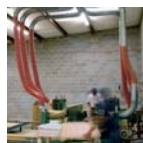

Order changes or cancellations on standard line items are subject to a surcharge once production of order has begun. Orders with special laminate colors or sizes cannot be cancelled at any time.

Repair Charges

Authorization must be obtained from Corilam Customer Service Department prior to incurring repair charges if Corilam is expected to pay all or part of these charges.

Warranty Statement

Corilam Fabricating Co., Inc. hereby warrants that the products manufactured by it shall be free of all substantial defects in original material and workmanship under normal use in standard industry conditions for a period of two years from the date of purchase. Within the specified period of this warranty, Corilam agrees at our option, to repair or replace subject products which prove to be defective in material or workmanship, provided that the buyer gives written notice within thirty (30) days of all such claimed defects. The liability under warranty shall not exceed the original purchase price of defective material. This warranty does not apply to damage resulting from shipment, storage, alteration, or misuse of product, and failure to provide reasonable and necessary maintenance.
