## CUSTOM CONSTRUCTION

At Corilam, we are dedicated to customer satisfaction. We offer a complete line of table tops that include round, oval, square, rectangular and geometric options. The tops sit upon either four-leg wood or metal bases or on pedestals. A full range of laminate finishes assure that the finished table works well with your existing décor. We also work with you to provide custom solutions designed to meet your specific requirements. Whether a short run or a high volume project, Corilam is ready to provide you with customized products ideally suited for your specific environment.

## FASHIONABLE FUNCTION

Working environments don't have to sacrifice aesthetics for the flexibility so important to work spaces. Corilam brings function beautifully into any environment. We offer a variety of styles and finishes to blend with any décor including laminates from the *Wilsonart*® standard collection. Additional colors and patterns are available from *Nevamar*™, *Pionite*® and *Formica*®. Premium patterns and specialty laminates are also available. All with the same durability and attention to detail we build into everything we produce. Timeless styling. Built to last. Corilam.

## PRECISION PRODUCTION

Combining top-quality components and pride of craftsmanship, Corilam builds durability into every piece. We use specially formulated adhesives to assure that table edges remain in place. Table surfaces are laminated for scratch and impact resistance as well as cleaning ease. Corilam uses the latest technology to assure precision manufacturing that delivers consistency from the first piece in production to the last.
